DREE formula not for Cent. Ontario yet says Minister

Victoria-Haliburton MP Bill Scott is pressing the federal government to have the DREE formula applied to central Ontario. However, Minister of Regional Economic Expansion, Honourable Marcel Lessard, doesn't feel he is ready to do that at this time.

Mr. Scott in the House of Commons last week, asked Mr. Lessard if he had looked into the matter of DREE for this area. "Has the Hon. Minister looked into this matter, and when will his department start applying the DREE formula on the basis of need, rather than on the basis of other considerations," Mr. Scott asked.

In answer to Mr. Scott's question, said Mr. Lessard, we are indeed looking into the economic situation of all the regions within the provinces. As to the many representations made by the Hon. member to obtain that his region be declared a designated area and as such become entitled to direct assistance to industries, I don't think that I am ready to do that yet. At the same time, we are looking into possible ways to implement a new program. Just now, we are having discussions with the Ontario government, with a view to assist with the economic development of a number of peripheral regions in that province. We have signed an agreement recently and hope that, within the next few months, we can conclude the current discussions and hopefully provide solutions to some of the problems the Hon. member has mentioned.

Coboconk Legion will present Santa Claus parade on Sunday

Don't miss the fun day in Coboconk on Sunday, December 17th when Branch 519 of the Royal Canadian Legion put on their Santa Claus parade.

Parade time is 1:30 pm from the feed mill area moving up the Main Street to the legion hall. They will also provide bags of candy for the youngsters who will view floats, bands, clowns and of course Santa himself in the annual parade.

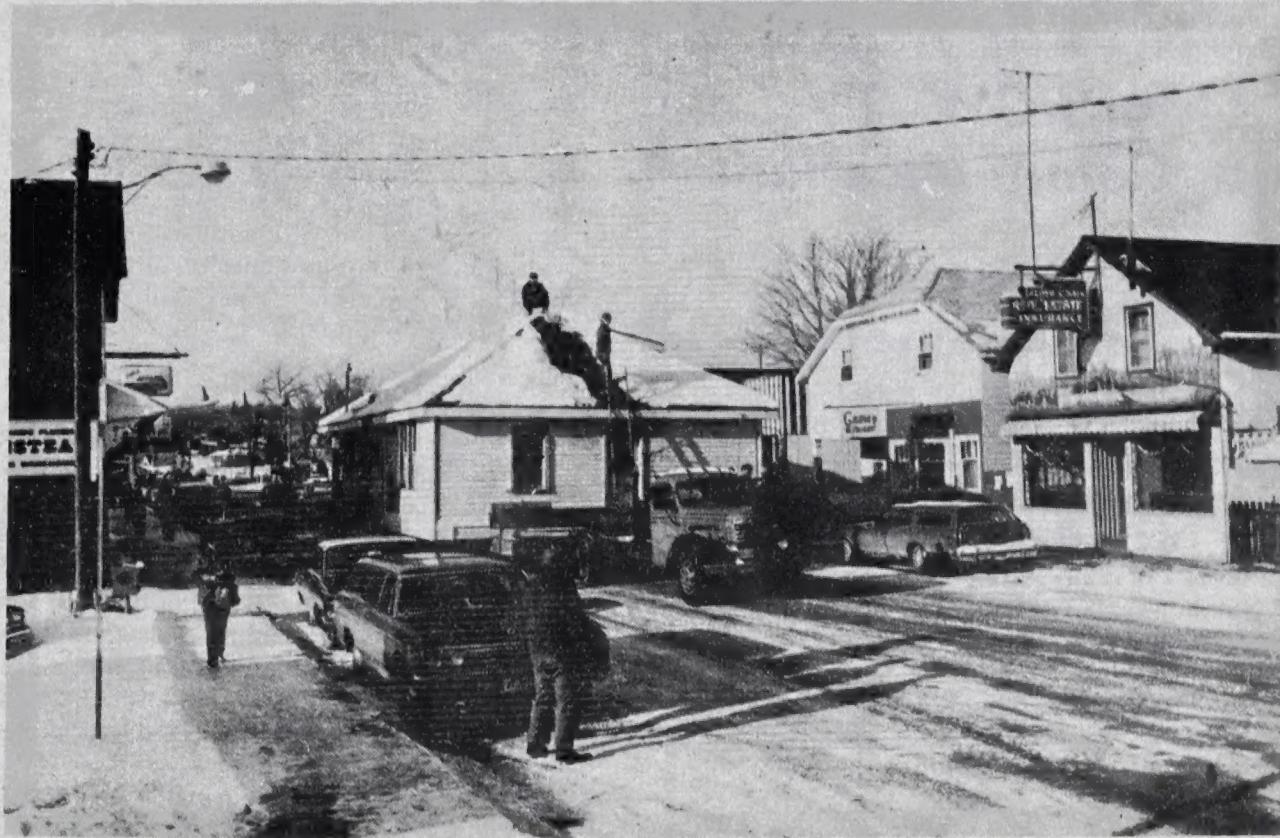

No hike in license fees this year says James Snow

Transportation and Communications Minister James Snow announced there will be no increase in motor vehicle license fees for the 1979 licensing year. Red renewal stickers went on sale at 318 outlets throughout the province on Friday, Dec. 1st.

The fee schedule will remain at \$30 for a four cylinder car; \$45 for a six and \$60 for an eight, with an engine displacement of less than 6.5 litres. Eight cylinder cars with an engine displacement of more than 6.5 litres, registered after Dec. 1, 1977 will cost the owner \$80. Motorcycle registration fees are \$20.

The 1979 registration fees for privately owned passenger cars and motorcycles in the northern half of the province will remain at \$10. For vehicle registration purposes, northern Ontario is that part of the province consisting of the territorial districts of Algoma, Cochrane, Kenora, Manitoulin, Parry Sound, Rainy River, Sudbury, Thunder Bay, Timiskaming and the portion of Nipissing lying north and west of Algonquin Park.

The 1979 registration fee for mopeds and trailers remain at \$5 as does historic vehicles and snow-

Traffic stopper on Minden's Main Street

MINDEN — Traffic ground to a halt on Tuesday afternoon on the Main Street of Minden, as this home was moved from its South Water Street lot where the new Toronto Dominion Bank building is to be erected. The

movers, Hugh Alton House Movers, did a fine job of moving this house down main street and to its new location on Anson Street with no difficulty what-so-ever. Nice job fellows.

2 Haliburton couples collide in car-snowmobile pileups

HALIBURTON — Early Saturday morning, Robert MacNaul 38, of Haliburton was eastbound on Birch Narrows Road in his van when he rounded a curve on a hill and collided with a 1974 car driven by his wife Loretta 36. Both were treated for minor injuries. Damage to the two vehicles totalled \$2200.—PC Weldon Popp.

On Sunday evening, Mr. and Mrs. Ronald Grant also of Haliburton were out enjoying a ride in the newly fallen snow on their snowmachines and collided on a curve.

Mr. Grant was driving in front of his wife on a 1978 snowmobile when he stopped after rounding a curve. Betty Grant then rounded the curve and struck the rear of her husband's machine. Damage has been set at \$500 to the two machines. Neither of the two were injured in the mishap.—PC Barry Connelly.

mobiles at \$10. These fees are the same for both areas, north and south.

In making the announcement Mr. Snow said, "if each car owner in the province would remember to purchase their vehicle renewal in December or January, we could virtually eliminate line-ups at issuing offices in late February.

Proof of insurance forms, required as part of the renewal procedure, will be available at all MTC offices, license renewal offices and liquor store outlets throughout the province.

ELEPHANT LAKE — Sometime between October and December this fall, thieves broke into the cottage of John F. Munro of Weston, Ont. on Elephant Lake.

Anson, Hindon and Minden hold inaugural meeting

MINDEN — The inaugural meeting of the new Council for Anson, Hindon and Minden was held on Tuesday morning at the Minden Community Centre. On hand to welcome the new council were about 25 ratepayers as well as Rev. Douglas Miller of Minden United Church, who was called upon to bless council in its future endeavours. Seated from left to right are councillor Len Lonsberry, Deputy Reeve Doug Pritchard, Reeve Sinc Nesbitt, Clerk-Treasurer Elinor Burk, councillor Stuart Brandon and councillor Lyle McKnight. Reeve Nesbitt, in addressing the gathering told the people of Minden "do not stand on the street corner and complain about council, come in and see council and talk about any of your problems." Each councillor stood and thanked the residents of AH&M for electing them to their positions, & promised to fulfill the jobs to the best of their ability.

The cottage is located on an island and thieves made off with goods valued at close to \$250. Stolen property includes two Honda motorcycles, a CB radio base station, a wood stove, an eight track stereo set and some power tools.

Investigation continues by OPP Constable Bill Clendenning.

CARNARVON NEWS

by Yvonne Penney

Ann and Man McKay spent the weekend in Toronto visiting with their son Ken and Sharon. While there, they also visited with Elmer Russell who was at his sister's home prior to reporting to Princess Margaret hospital today.

Our Christmas UCW meeting was well attended. Some 70 ladies were in attendance and took part in the program. Everyone expressed their appreciation and enjoyment in the evening.

Thursday afternoon was our Tupperware Party with proceeds to go to Guides and Brownies. There were three ladies present. I assume there isn't much interest in the young people of the community.

Next Sunday is the date for the Sunday School concert here in Carnarvon. The time is 7:30 pm after which Santa Claus will make his annual visit. Those Barnhart girls sure are hard workers.

We enjoyed a lovely dinner at Mr. Fogg's on Saturday night. Jim Howe, "super donkey" and the

Two men charged with auto theft

As a result of information received from a concerned citizen to Minden OPP, over a suspicious vehicle, a 1975 Camaro stolen from Toronto, it was recovered near Gooderham on Wednesday. The car had been stolen in Toronto on Tuesday, Dec. 5th.

Charged with possession of stolen property are John M. Thomas 21, of Pape Avenue in Toronto and Robin S. McBride 19, of Delaware Avenue, Toronto. Thomas is in custody at the present time with a bail hearing set in Lindsay on Monday, Dec. 11. McBride is to appear in court on February 13, 1979.

rest of his donkeys attended with their wives. Carnarvon Lumber had their Christmas party downstairs as well.

Don't forget, Carnarvon Choir will entertain with a Carol Service on Christmas Eve at 7 pm.

More new people in the community. Barry and Doris Stewart will move here permanently in Jan. They have two children, Stephen in high school and Karen in Archie Stouffer school. A welcome is extended to the Stewarts.

Don Cockell visited in the community on the weekend. Don had the misfortune to fall through a roof on a job and has injured his knee which will require surgery.

Bob and Nikki Fletcher are back from their holiday in Mexico looking well rested. Nice to be able to buy gas after six o'clock in Carnarvon.

Last Monday night we had our annual "Sunshine Sister Party" at the Stanhope Library. This is the occasion which you find out who your sister has been for the past year and get yourself a new one for the coming year.

Judy and Scott Carpenter came home from Haliburton hospital on Friday. That will be a busy household for a while.

Letters to the Editor:

The 1978 Flowers of Hope campaign has now been completed. The Haliburton District Association for the Mentally Handicapped has been overwhelmed by this year's unprecedented success. Even excluding large single donations from local organizations, our total canvassed from the public at large more than doubles last year's record amount.

I cannot say how grateful the Association is for the support shown us this year. The press has been more than generous in its coverage of our cause. Many behind the scenes workers helped, with the sorting and mailing of crocus bulbs, over 5000 in all. And without the canvassers and area co-ordinators, who are the backbone of our campaign, this year's Flowers of Hope would surely have wilted.

But most thanks is due the donors. So many and from every corner of the Highlands, even from outside the county. I regret that each cannot be personally and individually thanked as deserved. I can assure you all that the Association will spend your money with care and solely for the benefit of the Mentally Handicapped who live in our county.

Sincerely, BOB HEYES

FM applicants expect fight

Applicants seeking a license for an FM station, which would broadcast in the Muskoka-Parry Sound Haliburton districts, are expecting opposition when their proposal is heard by the Canadian Radio-Television commission in January.

According to Cecil Fry, a spokesman for the group, that is making the application, they expect opposition to be registered by Eastern Broadcasting. Mr. Fry identified the company as the owners of AM stations CFBK in Huntsville and CFBQ in Parry Sound.

Mr. Fry felt Eastern Broadcasting would present its objections on the basis of a new station adversely affecting their business.

Representing the applicants at the hearing, to be held in London on January 16th, will be Mr. Fry and John Christensen, both of Gravenhurst. As well, Mr. Fry said Vin Dittmer, general manager of station CHAY-FM and owner of Communications Consultants, will be assisting with the application.

Although the company to be formed will be owned by businessmen largely from the area served by the proposed station, there will be a five-year agreement with CHAY Limited to provide consulting ser-

vices. As well, Andrew Markle, president of CHAY Limited, will be a director and shareholder in the new firm.

In a release circulated by the applicants last week, further details of the application were outlined. The proposed station it stated, will use the call letters CILK and will have a 100,000 watt signal, which will be broadcast from Dwight. The station will make use of the CKCO television tower with studio facilities planned for the Port Sydney-Utterson area. The tower and station would be connected by microwave signal.

Mr. Fry says, the music policy is designed to attract listeners in the 18-49 age group for extended periods of time. The mellow musical sound will be interrupted only once per quarter hour for commercials and service information. A daily nostalgic program will be known as Dunn's Pavilion and be a take-off of the big band era when they played on the shores of Lake Muskoka.

The application states there are plans for providing weather information in an area where the weather plays a vital role in travel, sports and transportation to schools.

On Monday morning at 7:30 on Hwy. 35 Hall's Lake, a two vehicle collision resulted in \$750 damages. Charged with leaving the scene of a collision is David L. McPhail 38, of RR 1, Haliburton. McPhail was northbound on Hwy. 35 when he collided with a car driven by Peter Kanters 54, of RR 1, Hal-

HOCKEY SCOREBOARD

MINDEN OMHA ATOMS DROP THREE

The Atoms saw their winning seasonal record vanish last week as they dropped three straight games. The Atoms yielded the opposition 15 goals while notching only three of their own.

The week started out with a 4-0 whitewash at the hands of a very fine Bobcaygeon crew. They then tangled with Woodville and dropped a 6-2 decision. Tommy McLeod scored both Minden goals while Thornbury and Kea each picked up three goals for Woodville.

The third game was at Ops on Sunday afternoon and our lads went down 5-1. Quakenbush of Ops was a one-man wrecking crew in this contest, scoring four straight goals. Hamilton had the other marker for Ops. Glen Hall from Chris Harrison scored for Minden to avert a second shut-out in a week.

The Atom season record now stands at three wins, five losses and one tie.

BROWN OWL BANTAMS WIN, TIE

The defending All Ontario Bantam D champions from Minden faired much better this week than did our Atoms. They came up with a super 7-2 win at the Centre on Saturday then travelled to Ops and played to a 2-2 tie in one of the best games of the season for our boys.

In other action this week the Midgits downed Ops, the Peewees dropped a 4-2 decision to Ops and the Juveniles had their home encounter with Manvers on Friday evening cancelled due to a heavy snowstorm and then travelled to Ops on Sunday, where they came away winners.

4 area bowlers on Colt 45

Bill Korz, Kay Osler, 1000 Lakes champs in Colt 45

CARNARVON — On Sunday, the final ten games of the Carling O'Keefe Colt 45 Open was rolled and two Fenelon Falls five pinner will represent 1000 Lakes as the singles champions. Bill Korz will be our Men's Champion after rolling 4902 over the 20 game qualifying round. Kay Osler is our Ladies Champion, with a super 4780 total, more than 200 pins higher than her championship total of last year.

Fenelon Falls came up with a fantastic performance at this year's qualifying round placing ten bowlers on the 19 member contingent that will represent the association at the provincial championships in Hamilton in April of next year. Included in the ten are all six of their ladies who entered the tourney.

Bancroft, who had only 14 entries placed five on the provincial contingent, all men. Four of the five will join Fenelon's Korz and last year's singles champion, Steve Barton, on the men's team. They are Bill Phillips, Willard Goodman, Hank Searle and Jack Williams.

Carnarvon Lanes faired very poorly this year, placing just four bowlers on Carling's contingent. Three of these qualifyers are ladies, Ev Stata and Eva Piper, who finished second and third and Flo Henderson who finished eighth. Ronnie Robinson Jr finished in seventh spot, to miss the men's team by six pins and land a spot on the mixed team.

The ladies team will consist of Osler, Stata, Piper, Wilson, Tretheway and Deyell. The mixed team consists of Robinson, McAllister, Watson, Sutherland Henderson, Gerris and Telford. Coaches for Colt 45 teams are

Men's Team — Ron Robinson
Ladies Team — Ross Wilson
Mixed Team — Garth Henderson

Here are the complete final standings for this year's Carling Colt 45 Open:

The holiday season is on the doorstep. Food shopping for the festivities needn't be overwhelming. But it does require thoughtful planning for entertaining family and friends.

Keep it simple are the three words of advice from the foods and nutrition specialists at the Home Economics Branch, Ontario Ministry of Agriculture and Food.

Christmas preparations were more elaborate in the past. But then, there were lots of helping hands. Holiday meals today are more casual, yet there is still plenty of activity. And that is why planning is so important.

Now that you have searched and finally found your

traditional family recipes, it's time to decide which you want to use so you can plan accordingly.

It then becomes an easy matter to plan what is to be served, when to do the shopping, how to prepare the goodies and whom they will be served. The why is easy-to share the hospitality and warmth that comes with the season.

Christmas is probably unsurpassed in providing a vast array of foods. While we really don't want to be reminded of calories this time of year, why not plan to put our a bowl of fruit as a refreshing alternative to rich desserts.

It's remarkable how a ravenous appetite improves the quality of the menu.
